(1993), formerly Ill. Rev. State, Chap 48, par. 39s-1 et seq.; and

WHEREAS, the aforesaid Act requires that the City of Genoa of the County of DeKalb, during the month of June of each calendar year, investigate and ascertain the prevailing rate of wages as defined in said Act for laborers, mechanics and other workers in the locality of the County of DeKalb employed in performing construction of public works, for said City of Genoa; and

WHEREAS, as of this date, the Illinois Department of Labor has not during the month of June, 2018 made any investigation or ascertainment of the currently prevailing rate of wages for laborers, mechanics and other workers in DeKalb County; and

WHEREAS, the last ascertainment of prevailing wages for DeKalb County published by the Illinois Department of Labor occurred in June of 2017; and

WHEREAS, whenever the Illinois Department of Labor shall revise any prevailing rate of hourly wages to be paid by a public body in DeKalb County, the revised rate shall apply to any contract for public works.

NOW THEREFORE, BE IT ORDAINED BY MAYOR AND CITY COUNCIL OF THE CITY OF GENOA:

Department of Labor of the State of Illinois shall supersede the Department's June determination and apply to any terms appearing in this Ordinance which are also used in aforesaid Act shall be the same as in said Act.

SECTION 2: Nothing herein contained shall be construed to apply said general prevailing rate of wages as herein ascertained to any work or employment except public works construction of the City of Genoa to the extent required by the aforesaid Act.

SECTION 3: The Genoa City Clerk shall publicly post or keep available for inspection by any interested party in the main office of the City of Genoa this determination or any revisions of such prevailing rate of wage. This schedule contains the prevailing wage rates required to be paid for work performed on or after Monday, June 5, 2017 on public works projects in this County. Pursuant to 820 ILCS 130/4, public bodies in this County that have active public works projects are responsible for notifying all contractors and subcontractors working on those public works projects of the change (if any) to rates that were previously in effect. The failure of a public body to provide such notice does not relieve contractors or subcontractors of their obligations under the Prevailing Wage Act, including the duty to pay the relevant prevailing wage in effect at the time work subject to the Act is performed.

Explanations

## DEKALB COUNTY

**IRONWORKERS (NORTHWEST)** - That portion of the county from a point where the western county line intersects with Rt. 30, continuing eastward to Shabbona, north between Shabbona and Clare, and northeast between Clare and New Lebanon.

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.
