

Dear Residential Customer,

With many parents with school age children learning from home, Waste Management – Illinois Missouri Valley Area is delighted to present an educational webinar to celebrate the 50th anniversary of Earth Day.

We hope you and your family join us for our **LIVESTREAM 2020 WM EARTH DAY WEBINAR** as we present Recycle U – information on the history of Earth Day along with how your curbside recyclables are sorted and made into new products.

Featuring

Kurt Thiede, Regional Administrator - U.S. EPA - Region 5

Stanley Merritt, Ph.D., National Sustainability Leader

**RECYCLE RIGHT ON EARTH DAY
AND EVERY SINGLE DAY.**
