ANNUAL WATER QUALITY REPORT

Reporting Year 2023

Each year, the Illinois Environmental Protection Agency requires that drinking water utilities undergo testing and report on water quality results to customers. The City of Genoa is proud to announce that for another year, the City has exceeded IEPA requirements and provided quality drinking water to residents. The City of Genoa's 2023 Annual Water Quality Report is now available on the City's website.

REMINDER

A Few Placement Tips to Follow...

to ensure the collection of your garbage, recyclables or yard waste

- 1** There should be 3 feet between carts, yard waste bags and structures such as mail boxes, cars and lamp posts
- 2** Cart should be within 18 inches of the curb
- 3** Face the short metal bar toward the street
- 4** Position the cart on as level a surface possible, away from overhanging tree branches
- 5** Make sure lid is closed
